**Crawford County Stay at Home Order**

At 2:00 p.m., March 31, Governor Wolf issued a Stay at Home Order that went into effect at 8:00 p.m. for all of Crawford County. Wesbury, as a healthcare facility, is an essential business. All employees from all departments are approved to continue to work at this time. Employees do not need a proof of employment letter; however, it is recommended employees carry their badge in their car as proof of essential employment.
