Wesbury Visitation/Reopening Plan

The Administration and staff at Wesbury would like to thank you for the trust you have placed in us to provide care for your loved one during these uncertain times. We recognize that family visitation is very important for everyone. Your patience as we navigate the ever-changing guidance to provide various forms of that visitation is greatly appreciated.

We have completed our universal testing and are pleased to report no positive results at this time. This and other criteria having been met allows us to implement for outdoor visitation in addition to window and virtual visits. We will have this available beginning the week of August 17, 2020.

This visitation shall be available to residents twice weekly, limiting visitors to two per visit for outdoor visitation. Masking and social distancing must be observed throughout the visit. Further instruction will be provided when your visit has been scheduled. We will begin with a limited number of days per week with the plan to expand appointment times as able.

Items may not be given to the resident during a visit. Visitors who wish to bring items for a resident must drop the items off at the Grace Lobby to be sanitized and delivered.

Pets are permitted if registered with Wesbury. They must be on a leash. The resident may NOT touch the pet. Contact the Grace Switchboard at 814-332-9000 for the pet policy.

New residents will not be eligible for visitation until after 14 days have elapsed. Virtual visits are available for these residents.

Upon arrival, visitors will be screened for signs, symptoms, and potential exposure of COVID-19. Visitors who have traveled to a high-risk area in the past 14 days, or have been exposed to someone who is COVID-19 positive or has traveled to a high-risk area in the past 14 days shall not be permitted to visit within the 14 days. A virtual visit may be scheduled instead.

Visits may be scheduled by calling 814-332-9014 for Grace/Memory Support, 814-332-9294 for Cribbs, and 814-332-9186 for the Care Cottages.
