### **Wrapped Gift Deliveries for Christmas Information**

The CDC indicates that the Coronavirus can live on surfaces and objects for anywhere from hours to 5 days. For this reason, Wesbury is implementing the following plan to allow for wrapped Christmas gifts to be delivered to residents after the gifts have sat for a week to allow for the virus on a gift to die naturally. With this process, even clothing can be wrapped and given to your loved ones on Christmas day.

Families who wish to drop off wrapped gifts to be delivered to residents on Christmas Day must bring them in by Friday, December 18th.

To prevent clothing and washable items from being lost, it is best to label washable items before wrapping them and dropping them off. Iron-on labels can be purchased at JoAnn Fabrics, or you can use a sharpie/marker to write the resident name on the tag. Unlabeled clothing will be labeled by Wesbury as soon as possible after the holiday.

Families may continue to drop off items for Cribbs and Grace residents any day of the week during Grace Lobby hours, which are 8:00 a.m. until 8:00 p.m., or by appointment. Deliveries may be unattended for a period of time at the drop location. If there is an item of value, families should call the switchboard and make special arrangements at 814-332-9000.

When dropping off items:

- Families making deliveries must be masked.
- Come into the Grace Lobby entrance and take the items directly to the counter to the right of the entrance. There will be a sign pointing to the counter and signs on the counter.
- Items must be labeled; if they are not, there are labels and pens available at the counter.
- The switchboard will put a date on the item, so they know when the item has sat for 5 days and can be delivered.
