WESBURY WINDOW

Special Edition 2013
Contributors Report

Spring/Summer 2014
Volume 19 · Issue 2

Award Winning Year

Preparing the Annual Contributors Report causes us to pause and be thankful for those who support the Wesbury community. We are also grateful for the many blessings we have the privilege to both give and receive. This year we are honored to report that we received tremendous support from the community and recognition for our services both locally and nationally.

In January, Wesbury was chosen as one of the top three finalists to be honored as "Employer of the Year" by the Economic Development Corporation of Erie County. At their 32nd Annual Awards Dinner, Wesbury tied for second runner-up with Harley-Davidson of Erie.

"We are honored to be recognized in the region as an employer of distinction," noted President and CEO Donald Clawson. "We employ a staff of close to 450 and strive to create a strong work environment with a wide array of benefits that include: ongoing education, employee recognition, spiritual support, community involvement, longevity bonuses and a Healthy Life Reimbursement Plan."

Additionally, Wesbury was selected for its innovation, vision and growth. As an example, the campus provides a site for students to gain clinical experience in Nursing, Physical and Occupational Therapy, Finance (Billing and Coding), and in Medical Records as well as a training site for Healthcare Ventures Alliance's Certified Nurse Aide Program.

During that same month, Wesbury received notification that The United Methodist Association of Health and Welfare Ministries (UMA), granted Wesbury EAGLE Accreditation for the fifth consecutive time. A national network of 400 health and welfare-related organizations, UMA provides its members with education, accreditation, networking, communication and business services while keeping with the rich, historical, Wesleyan traditions and practices of the United Methodist denomination.

The Educational Assessment Guidelines Leading toward Excellence (EAGLE) accreditation is a quality enhancement program offered every five years to faith-based organizations providing care to older adults, children, youth and families. The intensive process encourages and recognizes excellence in Christian mission and ministry by reviewing business practices, social principles, and commitment to the Christian mission. EAGLE peer reviewers focus on an organization's relationships within its local community, on the persons being served, as well as governance and management.

Wesbury received recognition for their accomplishment at the annual Celebration of Excellence on March 26th at UMA's 74th National Conference, in Orlando, Florida. Wesbury first received EAGLE accreditation in 1992.

Wesbury Team Members accepting EAGLE accreditation, L. to R. Melissa Porter, Andy Clawson, Donald Clawson, Sue Kelly, Sam Marchetta, Marilyn Mazzone and Sheila Bundy

It is a great honor to receive these accolades and we want to thank the community for the ongoing support that has allowed us to innovate, grow, and continue to bring quality services to the region for the past 96 years.

THE WESBURY FOUNDATION

Donald E. Clawson
Wesbury President/CEO

Rhonda K. Thomas
Wesbury Foundation
Director of Development

Dear Friends,

With gratitude and appreciation, Wesbury reflects on another year of blessings and we have you to thank for once again including Wesbury in your thoughts, prayers and benevolent giving.

We know that if they could, every resident would tell each of you personally what your thoughtful gifts of volunteer time, in-kind goods and services and financial support mean to them and their families.

Because of your generosity, Wesbury offers peace of mind to residents and their families in knowing that they will receive the care they so richly deserve regardless of their ability to pay. You also enable Wesbury to continue to expand and improve the accommodations, programs, equipment and services that benefit all of those who look to Wesbury for help or service.

As you read through your copy of the 2013 Contributors Report, we hope that you are comforted knowing that many people share your interest in supporting and caring for others and that Wesbury will be here if you or your loved ones are ever in need.

On behalf of Wesbury's residents, their families, our Board of Directors and staff, thank you for your faithful service and the many blessings you provide!

Sincerely,

Donald E. Clawson, President/CEO

Rhonda K. Thomas, Director of Development

Please note:
In an effort to be more environmentally conscious and to be better stewards of the donations that are so graciously made to Wesbury, we continue to condense the annual report listings and share the information more broadly through our Spring/Summer Wesbury Window Newsletter. We hope you find this approach interesting and informative. There are so many stories of giving to share! For a more complete listing of donors, you may visit *www.wesbury.com*. Thank you once again for your continuous support of the Wesbury residents.

Discover the Freedom to Focus on Family

Paul states, "Choosing Wesbury gives us the freedom to focus our time on things that matter."

Focusing on family has always been the priority for Paul and Pat Rose. Living in Erie, they spent many hours travelling to Cleveland and Meadville to attend their grandchildren's band concerts and sporting events. Once their daughter-in-law's parents, Richard and Joanne Hartung, moved to Wesbury's Thoburn Village they began encouraging the Rose's to do the same, as they often traveled together to support their Grandkids. Paul and Pat were ready to live near their children, and be free of home maintenance, but Pat's elderly Mother was living in Erie and they needed to remain close to her. Caring for Pat's Mom helped them see the importance of having their own plan in place for the future. "At some point you realize that you're getting older and things are not as easy as they used to be," acknowledged Paul, "little things started to emerge and we do not want to burden our kids."

Last November, they made an appointment to tour an available Villa expecting that they might make a decision by spring. However, as soon as Pat saw the open kitchen and generous pantry, she was sold! The move would also allow them to focus on their hobbies. Pat would have her own sewing room and Paul, a fifteen year member of the Presque Isle Woodturners Club, could pursue his passion in the spacious garage, or Wesbury's Woodshop. They decided to list their house the following Saturday and began to plan and pack. To their surprise, they received an offer and in a matter of days it sold! "It was just meant to be," commented Paul.

Living in Meadville, they attend more school events and visit their teenage grandsons, Kyle and Nick frequently. "The kids call us and the Hartung's their 'hardcore grandparents' because wherever they go, we are there to support them!" says Pat. The group travels to volleyball tournaments, cross country meets and attends the Trinity Lutheran Church together. Wesbury's location allows them quick access to the interstate and an easy drive to Erie, Cleveland or Pittsburgh. Now, when their daughter, son-in-law and two granddaughters arrive from Cleveland there is plenty of room. "The kids play games in the dining room while the adults visit in the living room," observes Pat, "and it's large enough that I can host holiday meals"; something she thought she would have to give up with her growing family and previous home.

It's also comforting to Paul and Pat knowing Wesbury will be there for them as they age, and that the kids will be close by and comfortable visiting them here. Recently, during a family get together in their new home, Paul and Pat looked around the table relishing how good they felt and said "Well, I think we did the right thing," and the family unanimously answered in a resounding chorus of "YES!"

Introducing "Help at Home with Wesbury"

Wesbury is excited to announce the renaming of Outreach Services to, "Help at Home with Wesbury". As the demand for in-home care continues to grow, Wesbury decided to rename the program to clearly define what we offer. We tailor to the client's needs allowing them to live in the comfort of their own home while receiving the personalized services needed to maintain an active, healthy and secure lifestyle. Since 1997, Wesbury has offered in-home housekeeping, home delivered meals, companions support, and a round-the-clock personalized emergency response system. New to the menu of services is the addition of a medication management program.

"This new name clearly strengthens the public's understanding that we come to them, in their own homes," says Marilyn Mazzone, VP for Home and Community Based Services. "We are excited to be reaching out, and expanding our coverage area, bringing clients the help they need, supported by Wesbury's 96 years of trusted healthcare excellence."

Now serving a thirty mile radius from Meadville, "Help at Home with Wesbury" offers support to seniors and employment opportunities to the surrounding communities such as Conneaut Lake, Cochranton, Titusville, Oil City, Franklin, Southern Erie County and Northern Mercer County. Clients' requests vary greatly with some seeking 24 hours a day, 7 days per week support, and others who need just a few hours per week or month. With every client, "Help at Home with Wesbury" strives to meet all needs both great and small.

To find out more, phone "Help at Home with Wesbury" at 814-332-9186 or visit *www.wesbury.com*.

Help at Home with WESBURY

Did you know……Last year we provided more than 6,000 hot meals made fresh daily in the Cribbs Residential Center Kitchen to people in Meadville and surrounding communities, traveling more than 34,000 miles!

These Four Gifts Make Giving Easier

We know that you are watching your expenses in this challenging economy. We are too. But our commitment to Wesbury's mission just gets stronger in tough times and we look forward to your continued support so that we can keep meeting our goals.

We want every gift to benefit you as well as us, so we recommend the following financially-sensible giving techniques. These planned gifts will allow you to give more, at less cost, than you ever thought possible:

1 **Make the gift that costs nothing during your lifetime.** You can make a generous commitment to our financial future today, without reducing your savings or your cash flow. A charitable bequest will not take effect until after your death. Plus it's revocable, so it can be amended if you or your family's needs change over time.

Making a bequest is easy – you do not even have to alter your current will. It can be as simple as adding a codicil to your existing arrangements.

2 **Give the gift that's hiding in the back of your desk drawer.** Are you maintaining more life insurance than your family needs? If you no longer need the coverage, you can give Wesbury a paid-up life insurance policy. You will receive a charitable deduction for the value of the policy, simplify your portfolio, and make a substantial gift to us without affecting your cash-flow in any way.

Remember that you must designate Wesbury the irrevocable owner as well as beneficiary of the policy in order for your gift to be deductible. The insurance company can complete the transfer of ownership. And, if you owe premiums on the policy you can still use it to make a gift to us. Deductible annual gifts can offset the premium payments that Wesbury will pay.

3 **Make the gift that gets you off the stock market roller-coaster.** Not only does a gift annuity return you a tax deduction and a fixed income for life -- it also freezes the current value of the stock you contribute. That's because your annuity (the income) will be based on the value of the stock at the time you donate it. Plus, your returns on that gift annuity will usually be higher than the dividends that stock is paying you now.

For example, say you own 200 shares of Acme Corp., currently trading at $50 per share and paying you an annual dividend of $1.50 per share. You're concerned that Acme stock may soon drop in value, so you donate the stock to Wesbury in return for a charitable gift annuity. Your annuity will be set at 6 percent* of the value of your contribution ($10,000, the current value of your Acme shares) and will pay you a fixed income for the rest of your life.

- By contributing the stock in return for a gift annuity you double your annual income from $300 ($1.50/share x 200 shares) to approximately $600.* You need no longer worry about declines in the value of the stock or its dividends!
- You can claim an immediate charitable deduction worth approximately $3,600.*

*Rates for new gift annuities are periodically adjusted, and they vary according to the age of the beneficiaries. Charitable deductions for gift annuities are based on a Treasury Department factor that changes monthly, plus again, the age of the beneficiaries. Contact us for details and latest rates.

4 **Make the gift that protects your estate for your heirs.** Did you know that your retirement plan (IRA) can be the most heavily-taxed asset in your estate? If you pass it on to your heirs it can lose more than 60 percent of its value to income and estate taxes.

continued on page 15

2013 Donor Recognition

Each year, Wesbury recognizes individuals, organizations and churches who have demonstrated extraordinary leadership, philanthropic support, dedication, and commitment to advancing the mission of Wesbury. The next four pages highlight some of the great things they have done to support Wesbury and Wesbury Hillside Home.

2013 White Dove Awardee
Richard Burkhardt

The White Dove Award is Wesbury's highest honor where recipients are selected on their ability to lead others with their unique vision as well as their exceptional generosity. This year, we honor Richard B. Burkhardt who has made ongoing commitments to care for the well being of those living at Wesbury and beyond. Dick is a long time staple of the Meadville community. He has been the recipient of many honors and awards for his contributions to the economic growth of greater Meadville and his significant contributions to the quality of life in Western Pennsylvania. Dick's first exposure to the Wesbury community was when he joined the Wesbury Board of Directors in 1998. This led him to serve on the Wesbury Hillside Home and the Annesley Boards. He is also a longtime sustaining donor and member of the Hyatt M. Cribbs Society and Hillside Home's Hiram Fuller Whiting Society. Dick's commitment broadened in 2000 when he was admitted to Grace Health Center where he spent months healing from a condition that he was not expected to survive. Dick says, "You can really appreciate what a great place Wesbury is when you spend time at Grace Health Center as a resident." He also notes the quality of the environment and care, as well as a kind and professional staff.

In 2012 and 2013 Dick committed his time and talent serving as Chairman of the Wesbury Foundation. During those 2 years, The Wesbury Foundation met and exceeded their fundraising goals, thus giving much needed support to Wesbury residents.

2013 Volunteer Fundraiser of Distinction
Peggy Kelly

Thoburn Village resident, Peggy Kelly has been volunteering her time to residents at Wesbury since moving to Thoburn Village in August of 2007. Not only is Peggy a sustaining donor and Hyatt M. Cribbs Society member, but she lends her support to all social and fundraising events held at Wesbury including the Annual Chicken BBQ, Trick or Treat Night, and Senior Tribute. Peggy also helps out at the Thoburn Village clubhouse, often answering the phone, or cleaning up after particularly busy days. When the Wesbury Foundation is in need of volunteers for stuffing and stamping appeal letters, Peggy is among the first to help out. She is a "Good Neighbor" contact person, helping new residents' move to Wesbury's Thoburn Village become easier. Peggy adds the programming on Channel 98 and has also been supportive of Wesbury by going on the "Travel with Wesbury" trips, supporting the Benevolent Care program. For providing volunteer assistance and helping with philanthropic endeavors for the betterment of Wesbury residents, Peggy Kelly stands out and deserves to be honored as the 2013 Volunteer Fundraiser of Distinction.

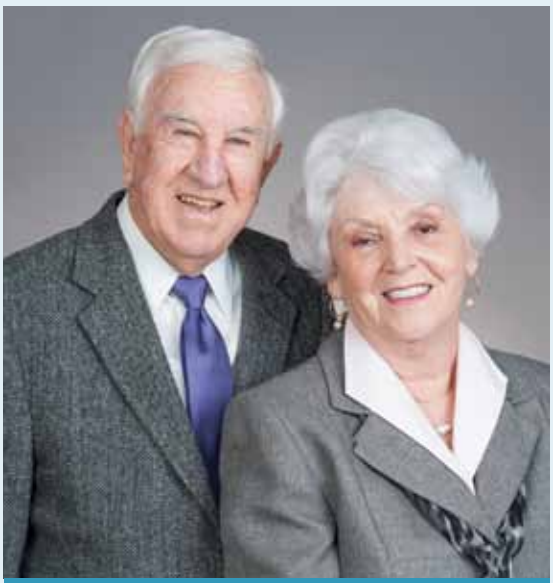
2013 Employee Fundraiser of Distinction
Gwen Smith

Gwen Smith began working for Wesbury in the Grace Health Center Activities Department in 2005. During activities events, Gwen, and her alter ego, Lulu, would be the hit of the party with the residents and staff alike. Gwen is now working for Wesbury's Social Services Department and strives to make each day better for the residents. Gwen is one of the first to volunteer her support to Wesbury's many events. Each year at the annual Chicken BBQ, you will find Gwen running the Family Fun Zone, placing volunteers and organizing the games and prizes. On BBQ day, she arrives early and stays late, helping to set up and tear down the area. Gwen also works to solicit donations for prizes children receive in the Family Fun Zone with the help of her husband. She also participates in other on-campus events like Trick or Treat night and the Nursing Home Week Parade as well as volunteering to raise funds and walk for "The Wesbury Warriors" in the American Cancer Society's annual Relay for Life. Wesbury is lucky to have employees like Gwen, who are dedicated to the residents at Wesbury, for the causes Wesbury supports and to Wesbury's mission of helping others. For those reasons, Gwen Smith is the 2013 Employee Fundraiser of Distinction.

2013 Donors of Distinction

Wesbury's Donor of Distinction award is presented to individuals, businesses and churches that have demonstrated extraordinary dedication to helping residents who have outlived their financial resources by contributing to Wesbury's mission of care. For 2013, Wesbury is honoring three Donors of Distinction: Mrs. David Kirkpatrick Jr. (Marnie), Donald and Virginia Burchfield, and First National Bank.

Don and Ginny Burchfield have been supporting Wesbury and Hillside Home since as far back as The Wesbury Foundation records go. They are sustaining donors, members of the Hyatt M. Cribbs Society and the Hiram Fuller Whiting Society as well as Lifetime Giving members. Don says his history with Wesbury goes back to before the start of Wesbury's Thoburn Village. In fact, his father-in-law, Nobel Harned, built the first villa on campus, and was very involved with creating the Nature Trail. Don and Ginny journeyed on a few of the "Travel with Wesbury" trips, including the first trip to Alaska and last year's trip to Nashville where a portion of the trip costs support the Benevolent Care fund. Don has been a member and former chairman of Wesbury's Board of Directors, The Annesley Foundation, Hillside Home, and The Wesbury Foundation. Ginny has volunteered her time helping the Foundation at the Annual Chicken BBQ and Craft Fair as well as packing baskets for the Senior Tribute Banquet and Auction.



2013 Donor of Distinction
Don and Ginny Burchfield

2013 Donor of Distinction *Marnie Kirkpatrick*

Mrs. David Kirkpatrick Jr. is our first Donor of Distinction to receive recognition for providing significant philanthropic support to both Wesbury and Wesbury Hillside Home. Marnie, originally from Camp Hill, Pennsylvania, moved to Meadville with her husband, Dr. David Kirkpatrick, in 1954. They met while he was in Medical School, and she was studying to be a Registered Nurse. Her affiliation with Wesbury is two-fold. Her husband was very connected to Wesbury seeing many patients over the years at the Methodist Home Hospital, now Wesbury's Grace Health Center. He was also a member of Wesbury's Board of Directors and replaced Dr. Spiro Moutsos as Wesbury Medical Director during the interim after his passing. Marnie is a long time supporter and former Board member of Hillside Home and a member of the Hillside Home Board of Directors when it was acquired by Wesbury in 1997. At Hillside, Marnie volunteered as an Auxiliary Helper. Dr. and Mrs. Kirkpatrick are past White Dove Award honorees as well as sustaining donors and members of the Hyatt M. Cribbs Society and Hiram Fuller Whiting Society. Marnie's ongoing commitment and substantial gifts to Wesbury and Hillside Home impact the lives of many, many residents.

2013 Donor of Distinction *First National Bank*

L. to R. Chris Zerbe, Jim Kirk, Mary Bracken and Tim Bracken

First National Bank began supporting Wesbury residents many years ago by sponsoring The Foundation's Senior Golf Scramble at the various levels. Since that time, their contributions have increased as co-event sponsors of the Golf Scramble and Resident and Family Holiday Reception. Last year and again committed this year, First National has joined as a "Sponsor Partner" at the Neighborhood level, supporting all of the Foundation fundraising events throughout the next year. They also make many in-kind donations to annual Wesbury events and are both a sustaining donor and member of the Hyatt M. Cribbs Society. Timothy Bracken, Vice President Private Banking Group at First National Bank has been a longtime Wesbury Board Member and current Chairman of the Wesbury Board of Directors. We thank First National Bank and Mr. Bracken for their continued support of the mission of Wesbury.

2013 Lifetime Giving *First United Methodist Church, Warren, PA*

John and Shirley Crone

In 2013, the First United Methodist Church of Warren, Pennsylvania reached the level of Lifetime Giving for The Wesbury Foundation by giving more than $100,000 over the years. A long time supporter of Wesbury, they are a cornerstone of our charitable care program. They are a sustaining church and a member of the Circuit Rider Society. In 2004, they were honored as a Donor of Distinction for their contributions to the "Fulfilling the Mission" campaign to renovate Grace Health Center, and they contribute to Wesbury's Sunset Auxiliary membership. Wesbury is truly grateful for the relationship with churches like First United Methodist of Warren, who are committed to supporting Wesbury's mission of service and care to the older adults of Northwest Pennsylvania and beyond.

2013 Special Recognition
Jim and Betty Hammerlee

In 1982, Wesbury added a nature trail to the campus through the fundraising efforts of Wesbury volunteers, staff, board members, residents and the Sunset Auxiliary. Over the years the trail became in need of attention as it started to buckle in places from nearby tree roots protruding through the asphalt. In order to be used safely by residents, the nature trail needed to be repaved and widened. This project was completed in 2009-2010, but there was still a need to clear some of the natural growth of the past few years. In the fall of 2013, Wesbury Thoburn Village residents, Jim and Betty Hammerlee, brought new life to the Wesbury Nature Trail by making a significant gift given in memory of both of their parents; Mr. and Mrs. E.A. Snyder and Mr. and Mrs. G.G. Hammerlee. That gift allowed for a refurbishment to begin last fall with the removal of brush and fallen branches, placement of a big supply of topsoil and the planting of 35 new trees and shrubs. This contracted project is to continue until September of 2014. Because of this gift, an Advisory Committee plans to continue the ongoing efforts of keeping the trail beautiful for future residents and visitors. Wesbury thanks Jim and Betty for their commitment and dedication to the ongoing efforts and beauty of this very special nature trail!

A Special Thank You

When Thoburn Village resident Chuck Shortt heard of Betty and Jim Hammerlee's donation for the beatification of the Nature Trail, he wanted to commemorate it in a special way.

To signify the gratitude of the Wesbury residents using the trail, Chuck gave the framed photo (shown at right) to Betty and Jim Hammerlee. The photo, taken by Mr. Shortt, is of Chuck's late wife, Meredith as she enjoyed a rainy day walk on the Nature Trail.

He is sure that this photo, hanging on the wall in the Hammerlee's home, will remind them of the pleasure their gift continues to give their neighbors.

2013 marked the 25th Anniversary of the dedication of the 1,300 foot Nature Trail adjacent to Grace Health Center. During those years many residents, families, staff members and volunteers have enjoyed the Nature Trail. The trail and it's beautiful surroundings are possible thanks to the wonderful gifts of time and money given over those years. For a complete history of the Nature Trail, please visit our website at *www.wesbury.com*.

If you would like to make a donation in support of the Campus Beautification Fund, there are several ways to do so. Mail the enclosed remittance envelope, call the foundation at 814-332-9264 or go to our website at *www.wesbury.com/ways-to-serve*.

Hyatt M. Cribbs Society

The organization that would become Wesbury began in Conneautville, PA during 1918 when Hyatt M. Cribbs offered his farm home to the Erie Conference of the United Methodist Church as a place for those in need. The Ida M. Cribbs Methodist Home was officially born out of that gift which included 22.75 acres of farmland. Today, The Hyatt M. Cribbs Society is a family of distinguished individuals, groups, and organizations who are committed to continuing in Wesbury's benevolent tradition.

Sunset Auxiliary Provides Residents with a Gift of Technology

Baby boomers have often looked at the generation before them as being lucky to see fruits of the industrial age come to harvest, from horse and buggy to automobiles and airplanes. Today, those same boomers see technology changing at a rapid pace. We have gone from mobile and cell phone to iPhone and Android; large station computers to tablets and iPads; and now even Google glasses. These devices not only keep you connected to family and friends, but can also help maintain fitness and keep the mind sharp.

Last year, Wesbury's Sunset Auxiliary saw the value in this technology and committed to buying two iPads for the residents at Grace Health Center. They were so well received Wesbury chose to buy more, so residents of all neighborhoods at Grace have access to the devices. These iPads allow for: one-on-one face time visits with family members from across the country; game and puzzle apps provide games to keep their memory sharp and work their hand/eye coordination; and e-mail and social networks allow residents to maintain relationships and share photos, videos and experiences.

Many seniors today are using their own tablets or devices to access over 2,000 available apps. Residents of Wesbury's Thoburn Village use apps like Fitness Buddy or Calorie Counter & Diet Tracker to accompany their workout plans at the Clubhouse. At the end of the day, they know how their fitness program worked for them, how much they walked and how to measure their burned calories versus their caloric intake.

Technology is great in 2014. People of all ages have access to more information and entertainment than ever before, and much of it can be held in the palm of our hands. It is pretty amazing to imagine, not long ago, at the turn of this century, we were using cell phones just to make phone calls, how old fashioned!

Circuit Rider Society

In the early years of the United States, clergy in the Methodist Episcopal Church and related denominations were assigned to travel to specific geographic territories and minister to congregations. They were called "Circuit Riders". Wesbury maintains a strong relationship with churches throughout Western Pennsylvania as these connections are a cornerstone of Wesbury's foundation. Methodist churches and church groups listed in the "Circuit Rider Society" have contributed to Wesbury directly and through the Sunset Auxiliary.

Are You a Caregiver in Need of a Backup Plan?

Families that have the responsibility of caring for an aging loved one can find the experience to be overwhelming and exhausting, leaving little time for other things, especially a chance to rejuvenate. A guilt-free getaway is tough for caregivers, but we all need to rest and relax in order to maintain good health. Whether you are planning a vacation, attending a wedding, or visiting the kids at college you can depend on Wesbury Hillside Home. Hillside Home offers a warm and welcoming environment where your loved one can stay for any length of time...at any time. Hillside's rates are reasonable and there are opportunities for a free stay. Tour and become familiar with Hillside Home and complete the required applications in advance of a need so you are prepared.

Hillside Home is small and easy to adjust to. This is particularly helpful for those with memory challenges. The staff at Hillside has just the right nurturing skills to make folks feel comfortable and secure. Smiles, reassurance and caring are Hillside's specialty. Licensed nurses monitor residents and can provide medication management. A professionally trained nurse can spot problems early and get them resolved.

Come and experience Hillside Home's beautiful Victorian setting, enjoy the book club, crossword fun, memory enhancement and the camaraderie of the residents. For more information, phone 814-724-3117 or visit *www.hillsidehome.org*.

We'll be ready, when you are ready.

Hillside Hiram Fuller Whiting Society

In 1906, Mr. Hiram Fuller Whiting made a generous bequest of $2,000 to purchase a house and property in Meadville, Pennsylvania to shelter elderly men and women who could no longer care for themselves. Wesbury Hillside Home is the proud legacy of this generous gift.

The Hiram Fuller Whiting Society is a family of distinguished individuals who are committed to continuing the benevolent tradition of Wesbury Hillside Home.

Many people contribute in honor or memory of their loved ones. These thoughtful gifts help Wesbury Hillside Home continue its mission of providing the best possible care while remembering special people in their lives.

Sunset Auxiliary Celebrates 60 Years of Service

Mrs. Florence Braun founded the Sunset Auxiliary in 1954 to broaden the circle of friends and raise funds for residents of the United Methodist Home for the Aged, the former name of Wesbury. Known as the Sunset Auxiliary, this group of dedicated and inspired volunteers grew to include representatives from churches in Crawford, Erie, Mercer and Warren Counties who are part of a family of individuals in the Western Pennsylvania Conference of the United Methodist Church.

The organization raises money through annual membership dues, the Grace Health Center Gift Shoppe, a merchandise cart in Cribbs Residential Center, and by holding sale events like "Granny's Attic" rummage sale, bake sales, and holiday sale held in November.

Over the years, the Sunset Auxiliary has been the sole source of support for many donated items. In 1964, the Sunset Auxiliary presented residents with gifts like a potato peeler, a coffee maker, and an amplifier for the chapel. Over the next 50 years, the Sunset Auxiliary would give residents at Wesbury some amazing gifts that include: a van with a wheelchair lift, handrails for Cribbs Residential Center, and the picnic shelter. More recently, the Sunset Auxiliary provided funds for the remodeling of the Grace Health Center Beauty Shop and iPods to provide a sense of serenity to residents with memory impairments.

Their hard work and generosity has brought many improvements and great joy to the residents over the past 60 years. We look forward to their continuing good work and the many surprises they will have in store for Wesbury over the next 60 years.

Thank You Volunteers

Thank you to all volunteers and board members for their valuable time and dedication to Wesbury.

Do You Know a Senior Who is Making a Difference?

Each year, Wesbury seeks groups or individuals who are working toward enhancing the lives of seniors. This is a great way to honor people who are doing phenomenal things in our communities and we need your help to find them.

All of us know someone who amazes us with their talent, generosity and selflessness. They may be a friend, a neighbor, a relative, or someone from your workplace or church. Please help us by nominating these extraordinary individuals, aged 65 or over; or groups or organizations with members of any age. The nominees are honored by allowing us to tell their story and applaud their contributions at the 6th Annual Senior Tribute Recognition Dinner and Auction held in October.

This event is truly inspiring and not only spotlights these unsung heroes, but also serves as a fundraiser for Wesbury's benevolent care fund, which helps support residents who have outlived their financial resources and require charitable care. Please take a moment and think about those who have made a difference in your life or the life of someone you know. A short nomination form is available at *www.wesbury.com* on the Ways to Serve/Special Events page or can be obtained at the Foundation office.

The deadline for nominations is July 31, 2014. Multiple nominations from the same nominator are acceptable. Please use one form per nomination.

For more information, contact The Wesbury Foundation at 814-332-9264.

The sponsors listed above partnered with Wesbury for all 2013 fundraising events. We would like to take this opportunity to thank them all for their very generous support of Wesbury!

Wesbury Foundation Announces 2014 Campaign Chair

Virginia R. Burchfield (Ginny), a long time supporter of Wesbury and one of this year's Donor of Distinction recipients, has graciously accepted the role of The Wesbury Foundation's 2014 Annual Fund Campaign Chair. Ginny is following the successful chairmanships of Bob and Janet Waid in 2011, and Richard Burkhardt in 2012 and 2013; she hopes to build on the momentum they created.

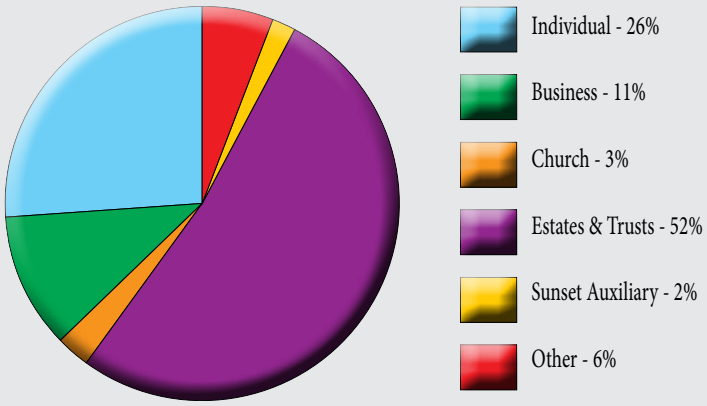
Ginny grew up in Greenville, PA and spent most of her life taking care of family members, which left little time for her to work outside the home. A long time donor and supporter of Wesbury, she has been involved with volunteer projects and fundraising for 30 years. Her first endeavor was the "Cake Walk" fundraiser for Wesbury's Nature Trail in 1984.

Community is important to Ginny as she is a former president of the Lioness Club and was a deacon in her church, First Presbyterian Church of Meadville. Currently, she is a member of the Meadville Garden Club and loves to work on the Trees of Christmas held every other holiday season at the Baldwin Reynolds House. She also spends a lot of time at Wesbury, as she has two family members who live on campus.

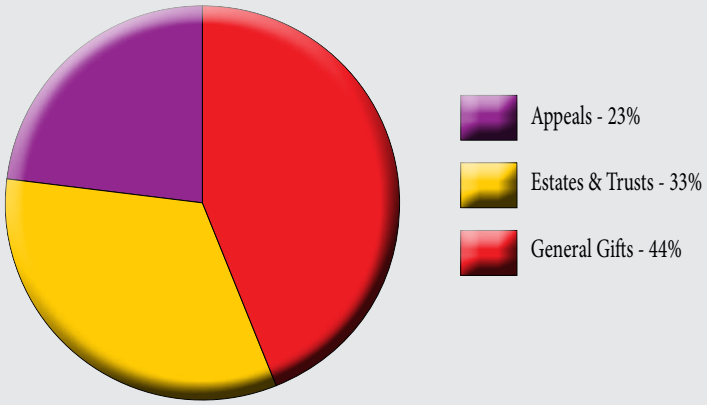
"I am honored to serve as this year's Annual Campaign Chair. I have witnessed, firsthand, the beautiful graces of Wesbury. Over the years, my husband Don and I have had ten family members benefit from the comfort, quality care and compassion that Wesbury has to offer. It is my pleasure to help ensure that others will experience the same sense of comfort, peace and security."

Financials

The Wesbury Foundation Sources of Funds



Wesbury Hillside Home Sources of Funds



Wesbury and Wesbury Hillside Home donations are allocated to support benevolent care.

The Wesbury Foundation Promise

The Wesbury Foundation promises to use your gift carefully and wisely, never to ask for money that is not needed, and to abide by all generally accepted accounting practices.

The Wesbury Foundation Mission

The Wesbury Foundation is dedicated to advancing the Christian mission of Wesbury United Methodist Community through promoting the needs of seniors, encouraging charitable contributions, and prudently managing philanthropic donations to and assets of the corporation.

Progress Continues on Wesbury's Campus

Since 2005, Northwest Pharmacy Solutions has operated out of the basement of the former Church of God located off of North Main St. on Wesbury's property. As a partner with Wesbury, it is part of the long range plan to expand the pharmacy to include ample parking, easier access, and more amenities for both residents and off campus customers who would benefit from improved services and conveniences. To date, Local and State regulations have been met and plans are in their final stages of review for the renovations and expansion.

Throughout this renovation, the building will take on an entirely different appearance; parking and landscaping will be greatly enhanced, and the building will nearly double in size. The new pharmacy will carry an expanded inventory of over-the-counter health aides as well as an "old fashioned" general store which will include a variety of food and household items. The pharmacy will remain open for continuous round the clock service during the entire expansion and reconstruction process. Some of the construction may cause inconvenience; however service to clients should remain uninterrupted, and as usual, free delivery services will remain in effect.

In conjunction with this project, Wesbury is constructing a new road that will be extended north from the Thoburn Village Clubhouse parking lot to Azalea Drive, and a cul-de-sac off that road will be created in the area behind the newly renovated pharmacy. These areas will open up 12 new sites for future development in Wesbury's Thoburn Village.

These Four Gifts Make Giving Easier

(continued from page 4)

But if you give it to charity, there is no taxation at all.

By making such a gift to Wesbury, you avoid high tax penalties, and can ensure your heirs receive more by leaving them more favorably-taxed property.

- You can take a withdrawal from your retirement plan to make an outright gift to Wesbury. For such outright gifts, the net tax effect is often a "wash."
- Designating Wesbury as the beneficiary of your retirement plan is easily accomplished by using the plan's beneficiary designation form.
- It's a good idea to consult with your plan's administrator and a financial advisor before making any changes in plan distribution.

Planned giving is smarter giving. We want to help you find the gift plan that's right for you, so you benefit from it as much as we do.

Please contact your financial advisor or call The Wesbury Foundation at 814-332-9264 for additional information.

This publication is intended to provide general gift planning information. Our organization is not qualified to provide specific legal, tax or investment advice, and this publication should not be looked to or relied upon as a source for such advice. Consult with your own legal and financial advisors before making any gift.

LECOM and Wesbury, Expanding Geriatric Care Opportunities for Crawford County

It has long been part of Wesbury's vision to expand the region's options for geriatric and primary care services. In preparation, Wesbury has been renovating Grace Health Center for the past 12 years. The renovations include the addition of a Medical Arts Building designed as a Geriatric Wellness Center from which to serve seniors in our area. In January, that dream was realized as Wesbury reached an agreement to partner with Lake Erie College of Osteopathic Medicine (LECOM) Institute for Successful Aging to offer outpatient services to Crawford County from the Wesbury campus.

"Wesbury is pleased to enlist the expertise of LECOM to develop a specialized program on our campus that will serve seniors from throughout the region," said Donald Clawson, Wesbury President and CEO. "The completion of the recent renovations at Grace Health Center has included many additional amenities for residents living at Wesbury, but our new Medical Arts Building will help to fulfill our vision of the expansion of medical treatment services for all area older adults."

The partnership between LECOM and Wesbury is ideal considering Crawford County's demographics. According to the United States Census Bureau, more than 17 percent of the county's residents are age 65 and older, which is higher than the average for Pennsylvania. In addition, the number of older adults in Crawford County increased nearly 5 percent between the 2000 and 2010 censuses. "A growing elderly population is a clear indication of the need for geriatric services," said Dr. James Lin, D.O. Vice President of Senior Services and Adult Living and Director of the LECOM Institute for Successful Aging. "Part of LECOM's mission is to provide care in the areas where it is needed the most."

Dr. Lin, Danielle Hansen, D.O., Associate Director of the Institute and Vice President of Acute Care Services and Quality/Performance Improvement at Millcreek Community Hospital; and Douglas Fronzaglia, D.O. Internal Medicine, LECOM Institute for Successful Aging, are now providing outpatient services at Wesbury's Geriatric Assessment Center and are accepting new patients. The clinic is open to the general public and new patients are being accepted. For more information you may contact the Medical Arts Building at 814-332-4575.

L. to R. Brian Nageotte, Wesbury COO/CFO, Dr. James Lin, D.O., Dr. Douglas Fronzaglia, D.O., Dr. Danielle Hansen, D.O., and Donald Clawson, Wesbury President and CEO.

Seniors Helping Seniors

Marilyn Mazzone (left) and Ruth Carlson check Ruth's schedule.

At 83 years old, Ruth Carlson proudly states she is in perfect health. She'll even bring in the paperwork to prove it. Four years ago, Ruth was reading the classifieds looking for something to do with her time. She wanted a job and saw that Wesbury was offering an interesting opportunity. Ruth has always been hard working and a people person. At the age of 18, she and her husband worked with the Pennsylvania Fish Commission and were the first to sell loaves of bread to people feeding the carp and watching the "ducks walk on the fish" at The Spillway in Linesville. After 17 years, and hundreds of thousands of loaves of bread, Ruth decided it was time to change her career and began selling insurance for Western Southern Life where she served 1,400 customers throughout northwestern Pennsylvania. She retired in 1996.

At 79, after the passing of her husband and one of her sons, she was ready to get back in the game. The flexibility of becoming an in-home companion for Wesbury was just the work for which she was looking. Ruth chooses to work 25 to 30 hours per week with five different clients whose residences vary from living on the Wesbury campus to others around the Meadville community.

Ruth is not alone in choosing to find employment helping other seniors. According to an analysis by the *Paraprofessional Healthcare Institute*, by 2018, up to almost 30 percent of direct-care workers are projected to be 55 and older. As "Help at Home with Wesbury" continues to expand, Wesbury is continuously seeking kind and compassionate people with a heart to help others. Very flexible employment opportunities are now being offered throughout the region.

To find out more about the opportunities "Help at Home with Wesbury" has to offer, phone 814-332-9186 or visit *www.wesbury.com/employment*.

Ruth says, "There are opportunities for someone my age at "Help at Home with Wesbury", I build relationships with my clients, I keep them going, and try to keep them positive… Keep 'em laughing."

Wesbury Gives Back To Help Fire Victims

On the evening of January 28th, sirens could be heard throughout Meadville as a fire was engulfing an apartment building off of downtown's Diamond Park on Chestnut Street. The 12 unit apartment building was ultimately demolished, displacing nine local families. A call was put out from the Center for Family Services, Crawford County Mental Health Awareness Program (CHAPS), American Red Cross, the local United Way, and other agencies to collect not only monetary donations, but household essentials to get the fire victims back on their feet.

Wesbury's Grace Health Center Administrator, Sheila Bundy, and Director of Environmental Services, T. Lee Kunselman heard that call for support and began to look at what kinds of household items Wesbury could donate to the fire victims. After going through storage areas, Wesbury was able to provide multiple twin mattresses with frames and head/foot boards, sofas, recliners, night stands, tables, dressers, bookcase, entertainment center and many small household items.

"We are glad to help those in need," says T. Lee. "Many people come help us with our needs, and it is nice to be able to pay that support forward."

Wayne Whitman (left) and T. Lee Kunselman search through storage for household items to donate.

Yes, I'd like to learn more about Wesbury.

Celebrating 25 Years of Fun, Food, and Festivities

A full day of fun! For the past 25 years, the smells of BBQ chicken have permeated the Wesbury campus on the third Sunday in July. What originally began as a summer picnic for residents and their families has grown to serve more than 2,000 meals during the daylong event. Over the years, more and more outdoor and indoor live entertainment, crafters, vendors and opportunities to tour the campus have been featured alongside the Family Fun Zone, a classic car cruise-in as well as Granny's Attic Rummage and Used Book Sale, whose proceeds benefit residents at Wesbury through the Sunset Auxiliary.

The food is delicious! For 2014 you can expect all of these ingredients to come together on **Sunday, July 20th from 11:00 a.m. until 5:00 p.m.** when Wesbury celebrates the silver anniversary of this mid-summer tradition. Savor the delicious flavors of BBQ chicken and ribs served with several side dishes. Be sure to top off your meal with a piece of home baked pie donated by one of many churches in our area; cake will also be available along with various beverages. Admission is free! An adult meal ticket is only $10 and $5 for children 10 and under. Tickets are available for purchase at Wesbury starting June 1st, as well as on the day of the BBQ.

Enjoy the festivities and experience Wesbury! While on campus, be sure to stop by the Wesbury Marketing Tent for information about current and upcoming renovations and expansions. Opportunities to tour will be offered for all areas of Wesbury including a villa at Thoburn Village, an apartment at Cribbs Residential Center, the new Medical Arts Building and Grace Health Center's newly renovated areas. You can also learn more about Hillside Home and "Help at Home with Wesbury" services. Look for the Wesbury tent near Granny's Attic Rummage/Used Book Sale. Hope to see you there!
