### ***Choose Wesbury - Choose MORE***

- For over 100 years, Wesbury has built a strong reputation for exceeding the expectations of the Continuing Care Retirement Community experience.
- As a Christian based, not-for-profit organization, Wesbury is committed to providing excellent services and an enriched way of life.
- Wesbury has received EAGLE accreditation seven consecutive times from The United Methodist Association of Health and Welfare Ministries (UMA), a national network of more than 400 health and welfare-related organizations.
- Grace Rehabilitation and Health Center is currently ranked 11th best Nursing Facility in the state by Newsweek magazine.
- Wesbury is consistently nominated in the Meadville Tribune's Reader's Choice categories of Nursing/Personal Care Homes and has received top honors every year since 2010.
- We put your independence, security, and care above everything else.

### ***More Safety Measures***

To provide you a safe and healthy environment, we have implemented the following:

- All new staff must pass a criminal background check before hire.
- Staff are offered the opportunity to receive the COVID-19 and flu vaccines.
- Infection control practices are followed in all buildings.
- Wesbury maintains current health and safety information on our website and uses an automated communication system to share important information and updates with residents, their families, and staff.
- Security staff monitor the campus daily.

## Why Choose Wesbury at Home

Unlike most in-home care agencies, Wesbury has over 100 years of experience in providing care and services to seniors. Not only do we offer a variety of in-home services to those living in the region, but we also offer a full continuum of care that may be beneficial when in-home services no longer meet your needs. Our continuum of care includes maintenance-free independent living apartments and homes at Thoburn Village and Vernon Square; enhanced living and personal care at Cribbs Residential Center and our Care Cottages; short and long-term skilled nursing care and memory support care at Grace Rehabilitation and Health Center. Wesbury is a nonprofit organization driven by a

Christian Mission and Vision. It is more important than ever to choose wisely. Don't choose just anybody to come into your home, choose Wesbury at Home, we are backed by 104 years of quality and experience.

## When to Choose Wesbury at Home

When you wish to stay in your home but need support to make that possible, let Wesbury come to you. Caregivers can assist with household chores like light housekeeping and caring for plants and pets. We can provide support with medication, bathing, and dressing. We can accompany you to appointments, shopping and out to dinner or a movie. We will also deliver fresh hot home cooked meals right to your door!

## Who We Hire

Our staff is required to complete a PA Criminal background check, TB testing, and drug testing to ensure the safety for your loved one. Every staff member is required to complete 12 continuing education credits per year to stay up to date in credentials and training.

## Payment Options

While most Wesbury at Home services are billed directly to the customer, some services may be covered by one or more of the following options: your Long Term Care Insurance policy, the CHC Waiver Program or Veteran's Aid and Attendance Benefits. For details, contact your Wesbury at Home representative.

## Personalized Emergency Response System

Around-the-clock security and peace of mind are at your fingertips with LifeAid, Wesbury at Home's emergency response program.

Options include:

### Sidekick Smartwatch

- A custom-designed smartwatch for seniors who need the benefits of a medical alert system housed in a stylish wearable.
- Call for emergency help, track steps, and monitor your heart rate, all in one water resistant device.
- Combines GPS and WiFi signals for pinpoint accurate location.

### Premium Mobile Device (GPS)

- GPS-enabled and is geared toward the more active person, who doesn't spend the majority of their time inside of their home.
- In the event of an emergency, the person would press the button on their pendant and communicate with the monitoring center. If they are unable to communicate or are unsure where they are located, the GPS capabilities will tell emergency responders where to go.

### Extra Help Button

- When there is more than one person living in the home, they do not need a separate unit. They simply need a second help pendant.

### Lock Box

- A lock box stores keys to the home on its exterior allowing caregivers and emergency responders to access the home quickly without having to force entry.

### Traditional In-Home Landline Unit

- Utilizes and requires standard landline phone service in the home to communicate with the monitoring center; connects to a power outlet and active wall jack to provide service.
- Pendant is waterproof; battery lasts up to 4 years and can be worn as a necklace or wristband; up to 500 square feet pendant range from the base console.

### Cellular Based In-Home Unit

- Wireless unit that does not require landline phone service.
- Equipped with a SIM card to utilize AT&T cell tower; (not dependent on the users cell phone or service). Simple install, needs to be connected to power outlet and switched "ON".
- Pendant is waterproof; battery lasts up to 5 years and can be worn as a necklace or wristband; up to 650 square feet pendant range from the base console.

# Wesbury at Home Care Cottages

The Wesbury Care Cottage is a residential three bedroom home that offers a maximum of three residents twenty-four/seven, around-the-clock “Wesbury at Home” services to meet their day to day needs. The

Cottages are furnished, private homes that are beautifully decorated with plenty of room for the residents to visit with one another, with family, or to have their own privacy. Each Care Cottage is located within minutes from shopping, entertainment, and medical facilities.

The Care Cottages are designed to provide safety and support to low-income residents who qualify for the CHC Waiver Program or to those that can pay privately who prefer to reside in a homelike setting as an alternative to personal care or assisted living environments.

The following services may be included: assistance with bathing, dressing, ambulation, exercise, meal preparation, laundry, housekeeping, and medication reminders. We may accompany you to social outings and medical appointments (additional fees will apply). Residents may also participate in crafts, games, movies, bird watching, gardening, or simply kicking back to relax and enjoy the peaceful setting.

## Care Cottage Rates

The Room & Board fee is determined on an individual basis and never exceeds the resident's income and affordability.
