Why Choose Wesbury at Home?

Unlike many in-home care agencies, Wesbury brings over 100 years of experience in senior care services. Since launching Wesbury at Home in 1997, we have proudly served as one of the region's first in-home care providers, building a strong reputation for trusted caregivers and high-quality, reliable services.

Wesbury at Home not only provides a wide range of in-home care services—we're also part of a full continuum of care, available to those who financially qualify. This means when or if your needs outgrow home care, a seamless transition into other levels of support is available.

Our continuum of care includes:

- Independent Living at Thoburn Village and Vernon Square
- Enhanced Living & Personal Care at Cribbs Residential Center and our Care Cottages
- Short- & Long-Term Skilled Nursing and Memory Support at Grace Rehabilitation and Health Center

Wesbury is a nonprofit organization, guided by a Christian Mission and Vision. Now more than ever, choosing the right care partner matters.

Who We Hire

Letting someone into your home is a major decision. At Wesbury, we take that responsibility seriously.
Our caregivers aren't just qualified professionals—they're also your neighbors. Wesbury at Home staff live in the same communities we serve, which means they understand the local area, share common values, and care deeply about making a difference close to home.

Every caregiver:

- Undergoes a Pennsylvania Criminal Background Check, TB testing, and drug screening
- Completes comprehensive orientation and annual continuing education to maintain credentials and stay updated on best practices

With Wesbury, you're not just hiring a caregiver—you're welcoming a trusted member of your community into your home.
